Competitors are entirely responsible for their own safety, whether afloat or ashore, and nothing reduces this responsibility. It is for competitors to decide whether their boat is fit to sail in the conditions in which it will find itself. By launching or going afloat, competitors confirm the boat is fit for those conditions and they are competent to sail and compete in them. Nothing done by the organisers can reduce the responsibility of the owners and/or competitors, nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the event. The provision of patrol boats does not relieve owners and competitors of their responsibilities.
